Continuing Education for Trustees

Just a reminder, Trustees are required to complete 3 hours of continuing education per year. Please let me know of any workshops you have completed. I am responsible for reporting on the Annual Report what educational programs were completed by each Trustee and if the requirements were not completed, including a note explaining why. I will continue to send educational opportunities for you as they come my way, but you should explore opportunities you can find through other sources as well. (SALS, Library Trustees Association, NYLA, CDLC, etc.) The year is half over and so far all I have reported is 1.5 hours for Linda Hales.
